SECTION 9 QUIZ

Infrastructure and Systems

ANSWER KEY

1. B — Trigger, steps, rules, the tool at each step, and the check.

2. A — Infrastructure = tools, platforms, equipment and physical spaces. The way content goes from idea to post is a system.

3. A — Most clubs have five or six separate lists; a shared database shows that the family-ticket father has a son in the academy.

4. D — Minimum: it works. Stable: written, someone else could do it. Growth: double the volume without breaking.

5. A — The database, the approvals, the matchday coordination and the people.

6. A — Start with the free one; spend money when the system works and the tool holds it back.
